

Philosophy Programme Course Offerings Archive

Last updated: 27 August 2017

A complete list of courses offered by the philosophy faculty at Ashoka follows. A two-letter code next to a course indicates whether it counts toward a distribution requirement (and if so which), or whether it is an elective only.

Key

- RE: Required
- IN: Counts as Indian and Non-Western
- WH: Counts as Western Historical
- CC: Counts as Contemporary Core
- EO: Counts as Elective Only

The absence of a code indicates the course does not count towards the credit requirement for the philosophy major, minor, or concentration.
