Ashoka Horizons Achievers Programme offers the widest range of pre-college, certified and deeply immersive, short-term courses across specific subjects & critical skills **for high schoolers entering grades 9-12 across all boards.**

Exclusively curated & delivered by a world-class faculty and industry leaders.

*"Learning something and applying it to the **real world** to help others is the biggest thing I could do, and this course has taught me how to serve humanity in a meaningful way. If I were to write about it in a college application, I'd call it my knight in shining armour; it's been incredibly practical and interesting."*

-Aarush, Sri Lal Convent School, New Delhi
